LIGHTHOUSE POINT

Cayman at it's very finest provides ocean front condominium living on the North West Point of Grand Cayman. This unique *totally green* development offers unobstructed views of the Caribbean Sea from private balconies. Featuring unique Lighthouse landmarks, this stunning example of old Caribbean architecture is built to green technology standards and is a cat 5 hurricane structure. Lighthouse Point also offers a Bistro and a shore diving shop operated by Divetech, one of Cayman's premier dive operators.
